A New York restaurant, after attracting large custom by means of a fairly good dinner at a moderate price, announced that on a certain date the price would be increased 20 cents. On the night of the date named more than a hundred customers, after asking at the door if the price had been raised and being told that it had been, turned away and went elsewhere. On the second and third nights the same thing happened. On the fourth night the price of the dinner went back to the old figure. This shows what a protest from consumers can accomplish when it is determined and of considerable proportions.

It is very evident that the tax rate in Washington county will have to be increased for the present year, owing to the increased demands made upon the county treasury, although it may not be compulsory to raise it to the 7 1/2 mill figure outlined by the county controller. Some of the estimates made may be pared down, thus making it possible to get along on a smaller amount, but the fact is inevitable that increased prices for everything makes increased taxes a necessary corollary.

The peace treaty with the covenant of the league of nations is to come before the Senate again, and it is dollars to doughnuts that it will not be approved unless the Americanized reservations are adopted along with it. The letter of Lord Grey to the London Times has given some of the Democratic standpoints a new vision, and the European opinion of the treaty, including reservations.

Liquor dealers in Allegheny county are not yet ready to give up the ghost, for over eleven hundred of them have filed applications for license. Of course they will not be allowed to sell any of the hard stuff, but they may be hoping that "something" will happen whereby they will be able to make a "killing," should old J. B. make his reappearance.

The President of Germany calls for a new spirit of brotherhood, but it is too much to expect that any such spirit among Germans will ever really reach across Teutonic boundary lines.

## COUNCIL MEETING

Continued from Page 1

The matter of insurance on the borough building was placed in the hands of the real estate committee.

The danger from escaping gas on McKean avenue was presented by R. C. Mountser, who urged that council should take some action to prevent an explosion. The matter was referred to the fire, water and light committee.

The garbage question was presented by Mr. Moody, who said the present collectors had made an offer which would relieve the borough of any expense in conducting the garbage plant. The sanitation committee was directed to take up the matter and given power to act.

A complaint was made against the telephone companies for cutting out the tops of shade trees, but no action was taken.

The treasurer made a report for January, showing receipts for January of \$1,753.36, with a balance January 1 of \$14,253.18, a total of \$16,006.54. Disbursements, \$7,987.43, leaving a balance in the treasury of \$8,019.11.

The tax collector's report showed a collection in January of 1919 taxes amounting to \$402.97. The report of the Burgess showed collections of taxes for the month amounting to \$91.00. The report of the borough treasurer for the year 1919 was presented, and after being read was accepted and ordered filed.

Chief Albright went to Washington this morning, to attend criminal court. The case against John Leppert for conducting a gambling house was scheduled to come up for trial today.

## WILL PROSECUTE ALL ROAD LAW VIOLATORS

Highway Commissioner Sadler has announced that the policy of "driving from the road those who did not respect the rights of others," and of protecting motorists who do observe the rules of the road and the laws of the state. The commissioner says that 95 per cent of the drivers of automobiles in the state observe the laws of the state, but that the other 5 per cent are going to be prevented from destroying "the utility and pleasure of motoring."

Governor Robertson of Oklahoma, is quoted as saying that he will recall a special session of the Oklahoma legislature to ratify the suffrage amendment, as the agitation was mainly carried on by "he-women from the North." The greatest opposition to women suffrage is coming from the Democratic states.

## WOMEN GIVE OUT

Housework is hard enough when healthy. Every Charleroi woman who is having backache, blue and nervous spells, dizzy headaches and dizzy or bladder troubles, should be glad to heed this Charleroi woman's experience.

Mrs. W. H. Hendershot, 514 Fallowfield Ave., says: "I think too much hard work and being on my feet a good deal caused my kidney trouble some time ago. My back was very weak and I often became dizzy and sick. My head seemed to never stop aching and I was so nervous it seemed I could fly. My kidneys acted irregularly, too. Doan's Kidney Pills improved my condition wonderfully. Nursing out my kidneys and strengthening my back. I can't say too much for Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hendershot had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## SIX MONTHS I COULD NOT WORK

Lydia E. Pinkham's Vegetable Compound Made Me Strong and Able to Work—I Recommend It To All My Friends.

Bayonne, N. J.—"I had pains in back and legs so that I could not stand caused by female trouble. I felt so tired all the time, had had headaches, and for six months I could not work. I was treated by a physician and took other remedies but got no relief. A friend told me about Lydia E. Pinkham's Vegetable Compound and it has helped me very much. I am well and strong and now able to do my work. I cannot thank you enough and I recommend your medicine to my friends who are sick."—Mrs. SUSIE SACATANSKY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for over forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

## Equip Your Small Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3-, 30x3 1/2-, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the small Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest-priced automobiles of the day.

You can well do so because these small Goodyear Tires are easy to obtain, being produced at the rate of 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of small cars.

30x3 1/2 Goodyear Double-Cure \$20.00  
Fabric, All-Weather Tread

30x3 1/2 Goodyear Single-Cure \$17.65  
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$3.90

### SHEPHERD OF THE HILLS AT THE COYLE THEATRE

The filmatization of this great novel has been a year in the making. The author, Harold Bell Wright wrote the scenario for the pictures and has directed every detail. His associates, consisting of actors, actresses, artists, photographers, have numbered over two hundred people, not to mention the people shown in the mob scenes, also there are a large number of live stock used. Horses, cattle, one hundred and fifty sheep—collie dogs—birds—and what not. This company has been together a year. Sometimes in California, other times in the Ozark mountains of Missouri. Mr. Wright who is a great stickler for detail has spared no expense in his efforts to keep the ensemble as nearly like the original as possible. For instance the flock of sheep was first secured in the Ozarks. When the work was finished there, it was thought that the sheep would be left there. Here Mr. Wright voiced an objection. There was one scene to be taken in California which must have some sheep in the background, so the original sheep actors had to travel to California to appear in that particular scene before they could be dismissed. A very effective detail and only one of the multitude which help to make "The Shepherd of the Hills", a truly great picture. The Coyle theatre will show it tomorrow and Thursday giving five presentations daily at 1.35.7 and 9 p. m. with a special music score.

"It was Father John's Medicine that kept my little girl alive," said Mrs. L. M. Wray, of Brooklyn, N. Y., in a recent letter. "When Lowell was a year old she had a dreadful cold which left her with asthma and bronchitis which no doctor seemed able to relieve. After I began giving her Father John's Medicine I could see a great change in her and how much better she sleeps at night now. I will never be without it as long as there are children in the family. You may print this if you care to do so for every word is the truth. Both my children are much improved since I gave them Father John's Medicine and I have all the faith in the world in the medicine." (Signed) Mrs. L. M. Wray, 187 Prospect St., Brooklyn, N. Y.

No safer family medicine can be found than Father John's Medicine because it is guaranteed free from alcohol or dangerous drugs and is all pure, wholesome nourishment. It has had more than sixty years of success for colds, coughs and as a body-builder.

## ONLY ROUTINE BUSINESS WAS CONSIDERED BY BOROUGH COUNCIL

Many Matters Were Referred to Committees for Final Action

### BROKERS MUST PAY LICENSE

The regular monthly meeting of borough council was held at the borough building Tuesday evening, with all members present.

The first matter to come to the attention of the members was a bill from the Gamewell Fire Alarm company for \$516.00 for making changes in the fire alarm system of the borough. It was referred to the fire and water committee for investigation.

M. T. Crowley appeared before the council with reference to the payment of a license fee on automobiles used by undertakers. The matter was placed in the hands of the ordinance committee for investigation.

Joe Price was present and made complaint to council against the garbage collector, who, Mr. Price said, wanted to overcharge him. The sanitation committee was directed to investigate.

Russell Blythe asked council for a ruling on the ordinance for the sale of gas and oil stock in Charleroi, wishing to know if those who sold this stock had to pay a brokers' license. Members appeared to be of the opinion that this was the situation, as they had been so advised by the borough solicitor.

J. M. Fleming asked council to furnish the kitchen with the proper utensils for cooking and serving, but members did not feel the borough treasury was strong enough at this time to stand the expense and the matter was laid over.

The pastor of the A. M. E. church asked for a rebate on assessment for construction of a retaining wall on Lincoln avenue along their property line, and the matter was referred to the street committee.

A recommendation of the board of Health to appoint D. N. Hall to a vacancy caused by the resignation of George Leith was approved.

A complaint from Lock Four relative to conditions alleged to prevail at the coal works was referred to the borough clerk to take it up with the coal company. It is alleged that grease and oil dropping from the trestle at that point ruins clothing of pedestrians passing along the street.

An ordinance laying a license fee of \$200 per month, payable monthly, against all transient merchants was passed by council. The former ordinance which imposed a fee of \$1,000 per month was prohibitive and was in conflict with the state laws.

The bond of R. H. Rush as borough treasurer was received and approved.

A request from Monack's wholesale fruit house was received, asking permission to lay a siding on railroad alley between the Monack property and the Walton Lumber company. Council offered no objections.

### URGENT UNREPORTED TO GIVE THEIR NAMES

In Pittsburgh citizens who have been missed by the census enumerators are urged to have their names sent direct to headquarters, in order that they may be properly listed. The same method might be followed with profit in Charleroi, if any of the people here have been missed by the enumerators, which is possible. Charleroi wants to make as good a showing as possible when the reports are made public, and in order to do so, every resident ought to be listed in the returns.

## RELIEF FOR NEAR EAST

Charleroi to Have Part In Campaign to Assist Armenians

### PUBLIC MEETING AT EARLY DATE

Mr. Oldfield, of Pittsburgh, a representative of "The Near East Relief" committee of western Pennsylvania, was in Charleroi on Tuesday and called upon a number of our citizens relative to the last week of February, when a drive for funds will be made in aid of this cause. He told of the many dying daily and the crying need of the work. Every town in western Pennsylvania will join in the relief work, and in many places committees have already been appointed to get the work under way.

A meeting to arrange for the part Charleroi will take in the work is soon to be held in the public meeting room of the municipal building, when all the citizens who are interested will be invited to attend. At this meeting the more important announcements concerning the campaign will be made, and it is possible that many of the details in connection with the movement, which is for the benefit of the starving thousands in Armenia, will be made public.

### GRAPHIC SEA STORY IN NEW FARNUM FEATURE

One of the most graphic sea stories ever shown on the silver sheet will be seen for the first time at the Majestic theatre, Friday, with William Farnum, the William Fox star, who will enact the role of the hero. The story, "Wings of the Morning," is a well known novel by Louis Tracy. As unfolded on the screen the drama is filled with stirring situations and thrilling incidents, coupled with one of the most dramatic portrayals in which the eminent star has ever been seen. Some of the ship scenes were photographed in most picturesque island locations on the Pacific. A fight between Mr. Farnum and a horde of pirates forms the climax in a series of dramatic situations.

## To Hear the Report of the World-wide Religious Survey

Pittsburgh, Pa., Feb. 4.—A report of concerning the tasks immediately the world wide religious survey, as ahead.

It is planned to hold the sessions of the Interchurch World Movement in Atlantic City in January, will be received by the first interdenominational pastor's conference ever held in Pennsylvania which will convene in Harrisburg February 18. The sessions will continue throughout that day and the two days following.

The specific purpose of the conference, as outlined in the call is:

To receive the report of the world-wide survey as presented at the World Survey conference, which was held at Atlantic City January 7 to 19, 1919, and also to consider the conclusions of that conference, which was composed of over 1,500 representatives of the missionary and benevolent boards of the co-operating communions.

To determine the program of the Interchurch World Movement, particularly as it relates itself to the pastors support, to his church and to his community.

To prepare for the county and township conferences in which the leadership and co-operation of every pastor is so essential.

To pray as well as counsel together

## PAGEANT TO BE GIVEN SUNDAY

A pageant or religious play symbolizing the work of the Church will be given by the children of St. Mary's Episcopal Church School next Sunday at the morning service. The pageant will take the place of the sermon. It is part of a nation wide movement in the Episcopal Church to consecrate its children to the work of reaching some of the 14,000,000 children in the United States who do not go to any Sunday school at all.

The Rev. Gomer D. Griffiths was appointed this week a member of the Diocesan Board of Religious Education by the Bishop of Pittsburgh. The Board consists of 12 elected and three appointed members and has charge of the Religious Education work of all the Episcopal Sunday schools of the Diocese.

### ALLEGED BOMB PLOTTERS DISCHARGED BY JURY

Charges growing out of alleged bomb plots at Donora during the steel strike, which had been placed against six defendants, were ignored by the grand jury at Washington on Tuesday. Constable Charles E. Titus of Donora, was the prosecutor. All of the men alleged to have been implicated in the dynamiting of Donora homes were foreigners.

### WILL CONTINUE WORK ON BIG RETAINING WALL

According to information from Chairton, it is stated that as soon as the weather is favorable work will be resumed on the big retaining wall along the river at that place. Work is also being rushed in the building of the large coal reservoir, said to be the largest in the world, at Wilkeson, and it is expected that it will be completed before April. This coal basin will be 600 feet wide and 800 feet long, with a capacity of 300,000 tons.

## REPORT MANY NEW FLU CASES

Forty-one reported to Board Of Health Up To 11 A. M.

### CASES ARE MOSTLY MILD ONES

Forty-one new cases of "flu" were reported to the local board of health up until 11 o'clock today, with two physicians to hear from. It was expected by Health Officer Darby that the local number of new cases would reach about 50. Most of the cases reported are of a mild type, although a few are said to be very severe.

The board of health is keeping a close watch on the situation, and will demand that all its regulations be strictly carried out. The board sets forth that the regulations made public on Tuesday are for the public good, and if they are observed are of the opinion that the spread of the flu will be greatly checked.

The trouble seems to have taken quite a hold in the community since Sunday last, although it is believed there were some few cases prior to that time. The health board will make every effort, however, to check the spread of the trouble, and are confident that if all regulations are observed the danger will be reduced to the minimum.

### TROLLEY SCHEDULES WERE BADLY DISARRANGED

Street car schedules on the Pittsburgh Railways company lines were badly disarranged this morning, due to the sleet and rain of last night, as well as to the breaking of the trolley line, in a number of places between Charleroi and Monongahela. The power was also reported as being very irregular in the city, thus making it impossible for the cars to run according to their schedules. The officials were kept quite busy all forenoon in getting the line in shape, and making an attempt to keep the cars as near schedule time as possible.
